

BOWERS MUSEUM

Pre-Visit Guide

MUSEUM

**I am going to a museum
called Bowers Museum.**

LOCATION

**Bowers Museum is located off
Main Street, past the 5 Freeway
in Santa Ana, California.**

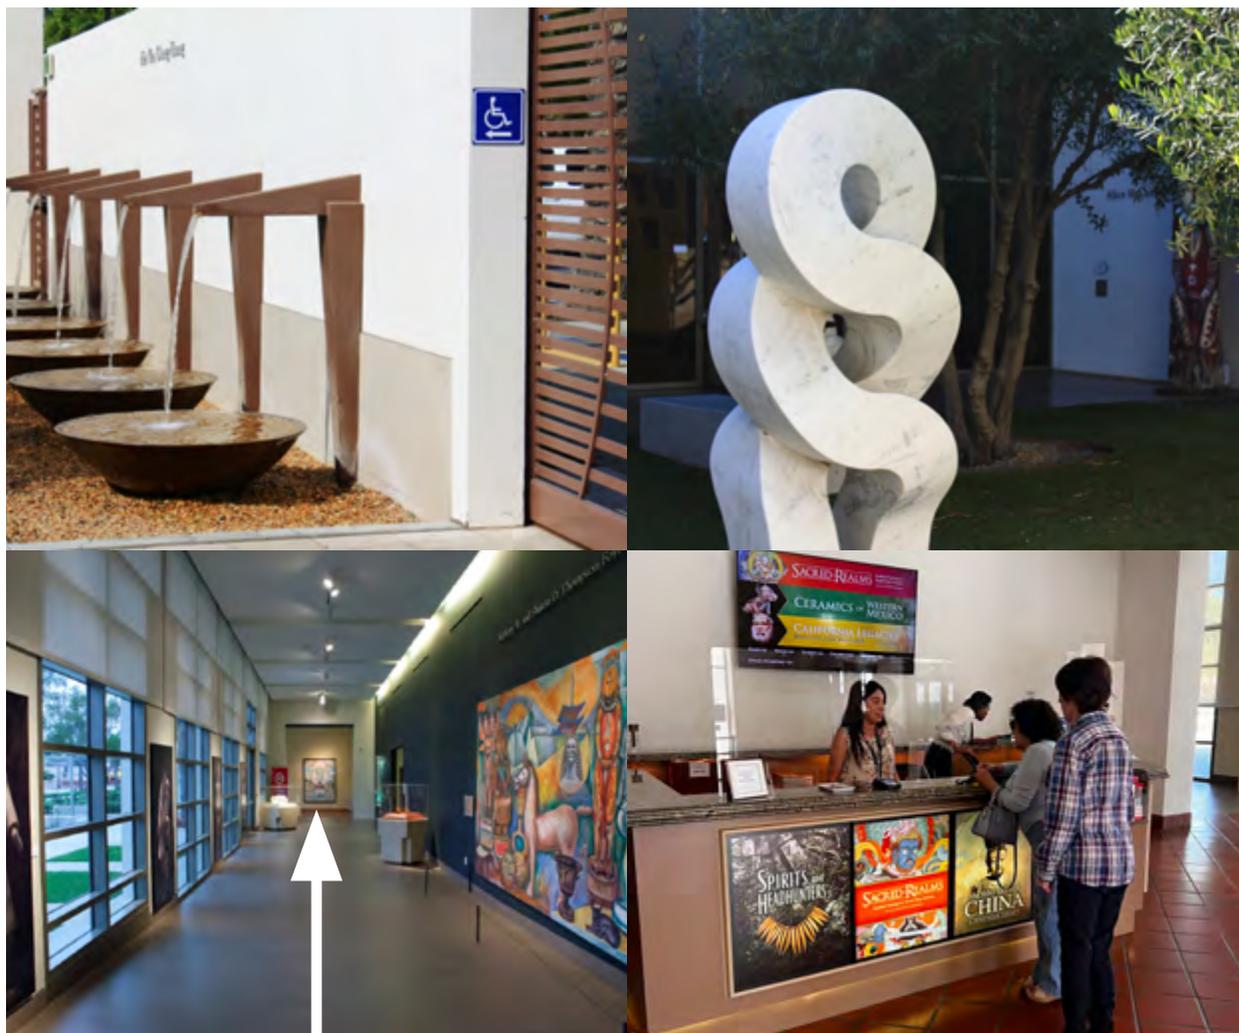

PARKING

**I will park in the North Parking Lot off of Main Street where the traffic light reads, “Bowers Museum.”
If that lot is full, I will park in the South Parking Lot at the corner of Main Street and W 20th Street, south of the museum. I will pay \$6.99 for either lot.**

ENTRANCE

If I parked in the North Lot, I'll walk through the Sculpture Garden and into the Museum where I will see the Visitor Services Desk.

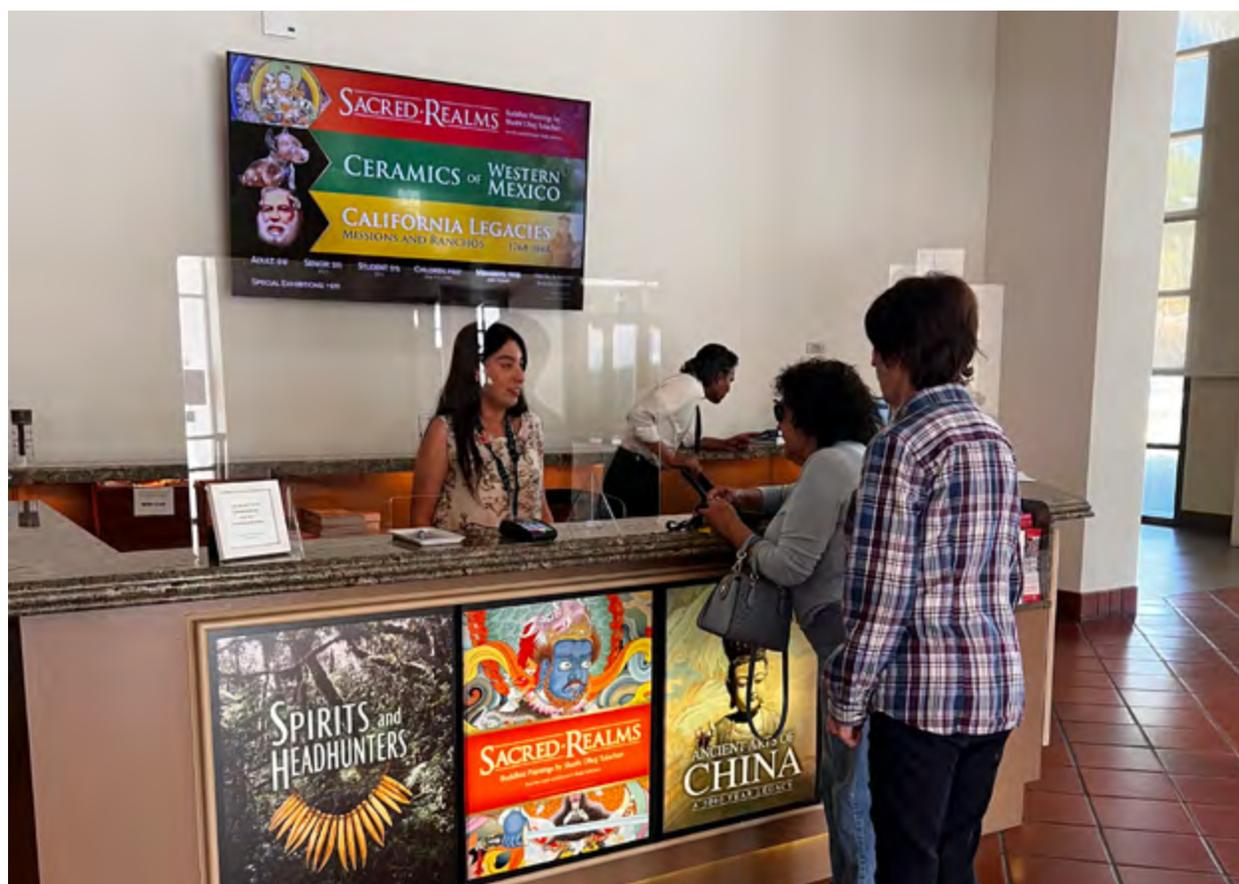

ENTRANCE

If I parked in the South Lot, I will cross the street at the cross walk and then walk under the Bowers Museum Bell Tower, through courtyard, and through the front glass doors of the Museum.

FRONT DESK

I will tell the staff I would like to buy a ticket to either the galleries or a public program (like a lecture or workshop) and they will help me choose the right ticket. I will ask them for a map and help with directions during my visit.

ASSISTANCE

The front desk can help me with any of my needs and questions.

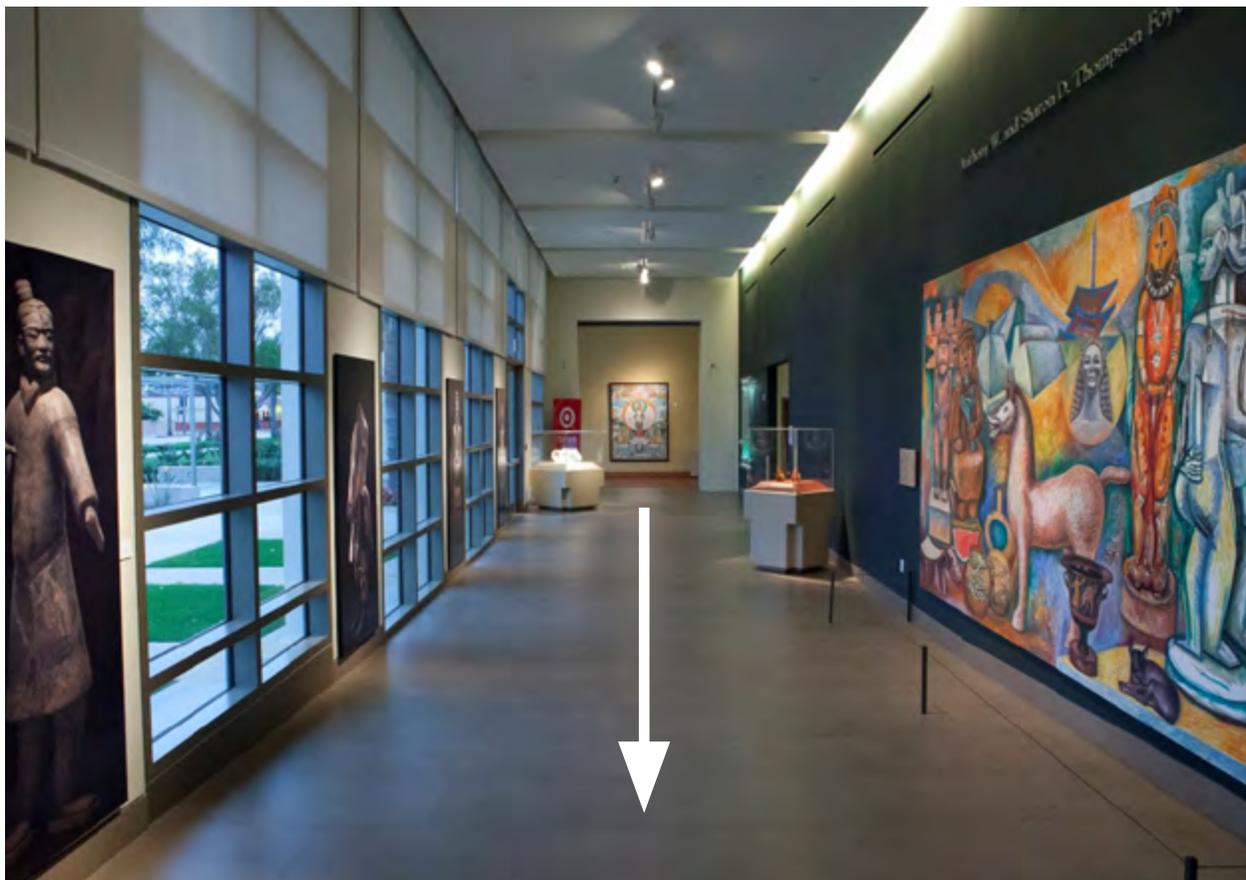

Some of the things they can help me with include:

- **Access:** How to checkout a wheelchair and use a wheelchair during my visit.
- **Hearing:** How to checkout a hearing device for presentations.
- **Seeing:** How to access a Digital Gallery Guide to see labels in large print.

And more!

TURN RIGHT

If I need to use the restroom, I will turn right from the Front Desk and go down the hallway. After that, I will continue on to explore the galleries or attend a public program as the Front Desk directed me.

EATING & SHOPPING

**If I'm hungry, there is a restaurant open 11 am - 2 pm.
I can also buy a souvenir at the Gallery Store any time
during my visit. Both are located in the Main Lobby
next to the Front Desk.**
